

Club Affiliation Certificate

Direct Kitchen Distributors, Inc. has been part of the Lehigh Valley community for over a quarter of a century. Being a family owned and operated business, we take pride helping to make the Lehigh Valley a great place to live, one kitchen or bathroom at a time. It seems that wherever my travels take me, I find someone that knows of a project DKD has done.

It is my belief there are certain benefits to working with a family owned and operated company, like ours. There are so many products available today, it often becomes important to look beyond the products, price, and availability. I am proud to be part of the Lehigh Valley and I am looking forward to making new friends through our Club Affiliation Program.

Here is how it works. When you purchase from Direct Kitchen Distributors, or our new cabinet discount center, Cabinets 4 Le\$\$, we will make a donation to the non-profit club or organization to which you belong. The donation will equal 1% percent of the amount you purchase from us*. In times like these, we understand it is even more difficult for clubs to raise the funding needed to operate. I look forward to working with your club to reach both of our goals.

Print and fill out this form and bring it with you when you visit our showroom. DKD hours are by appointment, so please call our showroom so we may set aside time to discuss your project with you.
